

KNWU cost overview 2016 and how to avoid

Pay per race € 7,00 (€ 3,00 for juniors)

Each rider has to pay this in the Netherlands. KNWU license holders have to pay that to the KNWU. All other riders have to pay this at the subscription desk.

How to avoid these costs: Cannot be avoided, anybody has to pay this.

If not pre-subscribed € 10

Pre-subscribing can be done until 192 hours (8 days) before the race. Then the pre-subscription option is being closed. KNWU license holders can pre-subscribe themselves online at www.knwu.nl. Others can pre-subscribe via the organisation (by calling or mailing). Everybody not pre-subscribed, but wants to participate in the race, has to pay this fee.

How to avoid these costs: By pre-subscribing (by the organisation) in time.

Transponder rent € 10

All Dutch KNWU races require a Mylaps transponder on the bike. If you don't have one, you need to rent one at the subscription desk. The fee is a rent and not being returned. The transponder must be returned asap at the subscription desk.

How to avoid these costs: By renting a personal transponder. The supplier is MYLAPS, www.mylaps.com, select : Store: Transponder subscriptions: ProChip or ProChip Flex. Remember to register new transponder number in your KNWU profile (see below). Also remove the obsolete transponder number from your profile.

Transponder registration € 7,00 (€3,00 for juniors)

If you own a transponder that's not registered in your KNWU profile, the KNWU official at the subscription desk can add that to the computer system for this race (this needs to be done for each race). You have to report your transponder number at the subscription desk.

How to avoid these costs: By registering your transponder number to your KNWU profile. You need to have a KNWU account to be able to do that on www.knwu.nl. To create an account, go to Word lid, Individueel basislidmaatschap or use the link: http://mijnknwu.knwu.nl/mijnknwu/index.php?handle=Public_Accounts_CreateAccountForm

Subscription costs to the organisation, max € 4

The organisation **may** charge subscription costs up to the above max. This max is applicable for Elite/Under 23. The max for Nieuwelingen is € 1, for juniors, amateurs, sportklasse en Masters € 2.

Above mentioned costs are cumulative, all applicable costs must be cumulated.
